Jodi Huisentruit, morning and Noon News producer/anchor at KIMT-TV, Mason City, Iowa is missing, and believed to be abducted. She was due to report to work early Tuesday morning, June 27, 1995. When she did not arrive at her usual time, producer Amy Kuns called Jodi by phone at around 4:00AM and talked to her briefly and Jodi said she would be at the station in a few minutes. She never arrived, and has not been heard from since.

Police began their investigation shortly after getting a call from coworkers at about 7:00AM. Some personal items of Jodi's were found near her car, which was parked in the lot of the apartment complex where she lives. Since then The Mason City Police, Iowa Department of Criminal Investigation, the FBI, volunteers with search dogs from the Iowa Search and Rescue Group, and several local law enforcement agencies have been involved in the search.
